African American Health Forum (AAHF) Fact Sheet

Statistically, African Americans have the shortest life span of any group in the country. The Minority Health Coalition of Pinellas, Inc. is committed to eliminating healthcare disparities in our community.

The 19th Annual African American Health Forum – A Celebration of Mind, Body and Spirit, encompasses healthcare professionals providing education and screenings on conditions of specific interest to African Americans. This event will also address the social determinants of health that influence the well-being of African Americans.

Event: 19th Annual African American Health Forum

Date: April 12th 2025

Time: 8:00am to 3:00pm

Location: Center for Health Equity located at 2333 34th St. S, St. Petersburg, FL. 33711.
